

Dear Indiana State Teachers Retirement Fund Member:

For many years, the Indiana State Teachers' Retirement Fund (ISTRF) has been committed to bringing you a high quality group health insurance program, underwritten and insured by Anthem Blue Cross and Blue Shield, at reasonable rates. This plan is offered as a group health product; it is not an Individual Medicare Supplement Plan.

Premium rates for the ISTRF Group Health Plan are based exclusively on the usage of ISTRF plan participants. Since utilization has been stable over the past year, we're happy to announce that there was no need for an increase in medical and vision premium for the new plan year beginning May 1, 2006.

In addition to medical coverage, Anthem Blue Vision SM is available as an option to those who are enrolled in the medical plan. Information on rates and benefits, along with a vision application, are included in this packet.

If you want to drop medical or vision coverage - please complete the enclosed Change Form. If you drop your medical plan, you must drop the vision plan also.

If you want to add vision coverage - please complete the enclosed Vision Application. Vision coverage is available only to those members enrolled in the medical plan.

If you want to continue your current medical and/or vision - no action on your part is required

A self-addressed, stamped envelope is included for your convenience in returning the Change Form or Vision Application. **These forms are due back to Anthem by March 17 to ensure that your May premiums are correct.** Please remember, if you do not want to make any changes to your medical or vision plan elections, you do not need to do anything.

Beginning May 1, 2006 the ISTRF group health plan will no longer offer the optional prescription drug coverage. As a result of this change; you may want to review your Medicare Part D plan needs. To aid you in your Medicare Part D decision-making process, assistance is available from several resources:

- Anthem's Medicare Part D Hotline at: 888-856-2012
- RE Sutton and Associates website: www.resutton.com
- The CMS website: <http://www.cms.hhs.gov/>

Anthem Customer Service Representatives are ready to answer any questions you may have regarding the ISTRF medical and vision plans. The number to call is (866) 649-2041 Monday through Friday, 9:00 - 5:00 EST.

Please do not call the ISTRF office for information on these matters as they do not have access to Anthem information and are simply sponsors of these Anthem insurance policies.

We look forward to providing for your medical and vision insurance needs in the coming year.

Sincerely,

Anthem Blue Cross and Blue Shield
